Department Reports

PEMBROKE PARK POLICE DEPARTMENT

3150 SW 52nd Ave, Pembroke Park, FL, 33023

Administrative Report January 20th---- February 20th, 2025

This report provides an overview of the Pembroke Park Police Department's activities, community involvement, and investigative actions for Late January and early February 2025.

Community Involvement:
On Tuesday, January 28, 2025, Student Counsel students from Lake Forest Elementary visited Town Hall to learn how the Town operates. Chief DeCoursey and Deputy Chief Ochoa gave a brief presentation to the students.

On Saturday, February 15, 2025, members of the Police Department attended the Community Food Drive event at the Preserve Park. Staff provided security, directed traffic, and interacted with attendees. There were no reported incidents or issues.

House Bill 1365 – Unhoused Legislation:
On Wednesday, February 12, 2025, Chief DeCoursey & Deputy Chief Ochoa attended the Broward Chiefs Association meeting, where House Bill 1365 was addressed. The Bill addresses unauthorized public camping and sleeping. This law prohibits counties and municipalities from allowing individuals to regularly camp or sleep on public property, including public buildings, grounds, and rights-of-way. Exceptions apply during declared states of emergency. A key challenge of this law is that municipalities must respond to public complaints about unauthorized encampments within five (5) days and take appropriate action.

Traffic Concerns:
On Tuesday, February 4, 2025, Chief DeCoursey & Deputy Chief Ochoa met with Broward County Traffic Engineering Division to address the traffic concerns at Hallandale Beach Blvd. & I-95. It was discovered that there was an error in the timing pattern being used, which has been corrected to alleviate the traffic congestion during peak traffic hours.

On Tuesday, February 4, 2025, a meeting was held with Altumint to discuss the implementation of School Zone cameras at Lake Forest Elementary, Watkins Elementary & the Koinonia School. A speed study will be conducted by the vendor at these locations.

Staffing:
Officer Santiago resigned on Thursday, January 30, 2025, and Officer Andrieau

resigned on February 6, 2025. This has left the department with a significant Officer shortage. The starting salary for officers with 10+ years of experience has been increased to support recruitment efforts.

Pre-Determination Hearing 2/12
Sergeant Leonard Loiacono was terminated officially on Friday, February 14, 2025, based on being sustained on his Internal Affairs investigation. He turned in all his equipment and vehicle on Saturday, February 15, without incident.

Internal Affairs Investigations:
There are currently no pending Internal Affairs Investigations. With Officer Andrieu's resignation, this investigation has concluded as unfounded and closed.

Negotiations:
Negotiation meetings between the FOP and the Town have ended, and all articles have been tentatively agreed upon (TA). The contract should be presented to the union membership for a vote this week.

Performance Evaluate Forms:
We are updating our employee performance evaluation forms to more accurately reflect the daily responsibilities and duties of our police officers, sergeants, and lieutenants. These revisions aim to ensure a comprehensive and objective performance assessment, aligning evaluations with each role's core functions and expectations.

Job Descriptions:
We are updating all job descriptions for current and future openings to ensure they accurately reflect job responsibilities and align with state accreditation standards. These updates will enhance clarity, compliance, and consistency across all positions within the department.

Citizen Complaint Forms:
We are developing citizen complaint forms in English, Spanish, and Creole to ensure accessibility for all residents. These forms will be available at our front desk and online, where citizens can also submit official complaints electronically. This initiative aligns with state accreditation standards and best practices, reinforcing our commitment to transparency and accountability.

Sincerely,

Jason F. Ochoa

Jason Ochoa, Deputy Chief of Police

SUBJECT: February 2025 Legislative Report

This report covers the activities of Capital Hills Consultants, Inc. during the later part of January and the month of February, 2025.

CHC – David Sigerson Activities:

Activities and Meetings. During late January and the first three weeks of February 2025, I continued to review legislation that has been pre-filed for the 2025 Legislative Session, paying particular attention to bills affecting municipalities.

January 25 – 31, 2025: Continued to review pre-filed bills that would or could affect municipalities.
I attended the January 29th Commission workshop.
I monitored the Special Session on immigration enforcement and spoke with a number of staff and other lobbyists about the political fallout from the Special Session and the dispute between the Governor and the Legislature and the implications going forward – especially with respect to prospects for LBRs.

February 1 – 9: Watched the February 1st Pembroke Park workshop on the detailed explanation of the stormwater and waste water master plans and the vulnerability study;

Monitored the Joint Legislative Auding Committee (JLAC) meeting and reviewed the committee packet – Pembroke Park was *not* on the list of municipalities that have audit problems, that is, entities that have not taken corrective action after repeated audit findings;

Watched the Sen. Committee on Banking & Insurance presentation by Division of Emergency Management Director, Kevin Guthrie, on hurricane & flooding mitigation (including a discussion of $4.8 B grant program);

Reviewed committee packet for the House Economic Infrastructure subcommittee and watched the meeting regarding Energy, Transportation and Broadband programs which includes a grant program for Digital Literacy;

Began drawing up list of legislators that would be important to meet with during the third week in February. Joined meeting with Connie Vanassche & Jordan Connors to discuss the Town's legislative program, Legis Budget Reqs (LBRs), legislative goals and objectives and to brief Jordan on the history and background of Pembroke Park and the importance of the annexation issue to the Town.

I contacted the Florid League of Cities to discuss the rumor that another annexation bill, besides SB 384, will be filed this Session. Senate Bill 384 pertains to the annexation of state-owned land by a municipality – requiring notification of the county's legislative delegation of the intent to annex state owned land. But, because the bill deals with annexation, it will be monitored as a potential target for amendment.

Reviewed the JLAC meeting packet for the February 10th meeting – the Town is not listed in the packet.

February 10 – 16: Traveled to Tallahassee for the Interim Committee Week and Special Session C; meeting with Teri (Sen. Pizzo's Legis Assist (LA)) and Connie re: our Senate LFIRs; work with Connie Vanassche and Jordan Connors on appointments for Chandler for the following week to cover the House and Senate Appropriations subcommittees on Ag & NR and Transp. & Eco Development (TED) and meetings with staff of the Governor's Office of Planning and Budget (OPB) and with our House and Senate LBR sponsors.

I also reviewed SB 3C, the new (compromise) immigration enforcement bill for its impact on local governments which provides for training grants and bonus payments for local law enforcement officers who participate or cooperate (with federal agencies) in the immigration enforcement activities contemplated by the bill – there will be a more fulsome explanation of the bill's provisions pertaining to local government in the Bills Affection Municipalities update to follow.

At the end of the week, I constructed the template for Chandler's appointments schedule and began to fill in appointments; Connie, Jordan and I had a conference call to update appointments scheduled for the week of Feb. 17th; and, I emailed the updated schedule out to all Team members.

February 17 – 20: Traveled to Tallahassee; met with Connie to go over the updated schedule; Chandler met with: Sen Hooper, Sen full Approps Chr; Sen Brodeur, Sen Ag & NR Approp Subc Chr, met with LA, Michael Goldstein, re: Lift Stations 17 & 19 LBR; Sen DiCeglie, Sen TED Approp Subc Chr, met with LA, Jordan Watter, re: 52nd Ave Improvements LBR; Brian Mimis, staff of Gov's OPB for Transportation, re: 52nd Ave project; Rep Woodson, to update her on our activities to advance our LBRs; Kim Crammer, staff OPB for Environment and, Chandler and I met with Richard Coates to update him on our activities and discuss strategy going forward.

I monitored the House Civil Justice & Claims Subcommittee meeting at which HB 301 (the limitation on the exception from sovereign immunity would be increased from $200k/$300k to 1M/$3M) was discussed, debated and voted upon.

For the remainder of the reporting period, I continue to review pre-filed bills and update the list of Bills Affecting Municipalities. A separate memo titled: Legislation Affecting Municipalities, which will be submitted in the next few days.

Dee Carper, Connie Vanassche and I continue to regularly discuss grant opportunities, awarded grant status and the progress and status of the various important studies: the Stormwater and Wastewater Master Plan updates and the Vulnerability Assessment Study.

As always, I monitored the Town Commission meetings, if I could not attend in person.

Legislation on Annexation: – Annexation of Property

Although the annexation issue has generated little legislative interest during this last Regular Legislative Session, this Session SB 384 by Sen Burton/HB 275 by Rep Albert has been pre-filed. As mentioned above these bills pertain to municipal annexation of state-owned land which does not affect the Town, but requires us to monitor them as they could be amended with other provisions affecting annexation. Also, we have heard talk that other annexation legislation could be filed and the issue was adopted by the Florida League of Cities as policy position at its December Legislative Conference.

Richard Coates, Bill Helmich and I discuss and monitor this issue as we review any legislation that is filed to ensure that any of these bills will not adversely affect the Town of Pembroke Park and monitor any legislation that could be amended with annexation language (for example almost any growth management bill). We continuously access legislative attitudes on the issue and then, as needed, develop a strategy with respect to potential future annexation legislation – recognizing that the issue continues to be one of great importance to the Town.

I shall remain in contact with the Mayor, Commissioners and the Manager to periodically provide updates, analysis and advice on this important issue should any new developments occur.

This month, every funding relsource to local governments have experienced adverse action by the federal Office of Management & Budgeting (OMB) and Governor's OMB in their review of local government grants and fiscal awards that may be unencumbered and targeted for reversion or reimbursement. Governor Proclamation 2025A-Joint Proclamation for Special Session 2025B-Joint Proclamation for Special Session 2025C:

On January 13, 2025, Governor Ron DeSantis, issued a Proclamation for the sole and exclusive purpose of considering legislation and appropriations relating to (a) combatting illegal immigration, (b) condominium regulation, (c) agricultural relief in response to natural disasters, (d) replenishing the My Safe Florida Home program, and (e) citizens' initiative petition process. Special Session convened Monday, January 27, to no later than Friday, January 31, 2025.

On January 27, 2025, The Florida Legislature, issued a Joint Proclamation for the sole and exclusive purpose of considering legislation to:

A. Strengthen state laws, programs, or policies, and provide appropriations in support thereof, to maximize the state's ability to coordinate with and assist the Federal Government in its enforcement of federal immigration law and policy, including the directives of President Trump related to immigration and declared national emergency, and related federal actions.
B. Designate a chief immigration officer to serve as the state's official liaison between state agencies, state and local law enforcement agencies, and the Federal Government regarding the enforcement of federal immigration laws, and establish related responsibilities, powers, programs, and policies;
C. Restrict benefits that incentivize illegal immigrants to relocate to Florida.
D. Create criminal offenses related to noncitizens' voting.
E. Enhance criminal penalties for crimes committed by removed aliens who unlawfully reentered the country.
F. Require immigration status to be considered when determining bail and pretrial detention.
G. Require valid identification information for interactions with the state.
H. Establish programs and policies, and provide appropriations in support thereof, to allow local law enforcement agencies to supplement, not replace, the Federal Government in its enforcement of federal immigration law.
I. Consider line-item vetoes from HB 5001 from the 2024 Regular Session.

Special Session 2025 B convened Monday, January 27, to no later than Wednesday, January 29, 2025.

On February 10, 2025, The Florida Legislature, issued a Joint Proclamation for the sole and exclusive purpose of considering legislation to, allow for Modifications to Legislation passed in 2025 Special Session B:

• SB 2C/HB 1C creates a State Board of Immigration Enforcement comprised of the Governor, Commissioner of Agriculture, Attorney General, and Chief Financial Officer. All decisions must be approved unanimously.
• To reflect the addition of the State Board of Immigration Enforcement, SB 2C/HB 1C updates the composition of the State Immigration Enforcement Council.
• The Board will approve the release of grants to support local law enforcement in the enforcement of federal immigration laws. As in SB 2B, grants are to reimburse eligible expenses or provide $1,000 bonuses to law enforcement officers involved in Homeland Security task force operations. SB 2C/HB 1C appropriates $250 million for the grant program.
• The bill removes the concept of a single statewide immigration officer.
• To recognize the critical role of the Department of Agriculture and Consumer Services in enforcing immigration laws, SB 2C/HB 1C appropriates significant funding to DACS to hire additional sworn law enforcement and support positions to enhance interdiction activities and protect the borders of this state. This includes funding to build a new interdiction station in North Florida to curb illegal immigration within the I-10 corridor.
• To keep dangerous illegal immigrants behind bars, the prior bill ensured judges have information about a defendant's immigration status that can be used to deny bail. The new bill strengthens that provision by requiring pretrial detention for illegal immigrants who commit forcible felonies. Pretrial detention is already denied for other serious violent crimes.
• The bill replaces the existing Unauthorized Alien Transport Program with a new program where the transport of illegal aliens is done only at the direction of the federal government, with state taxpayer costs fully reimbursed.
• To better protect our borders, SB 4C/HB 3C creates state-level crimes for immigrants who illegally enter and illegally reenter our state.

Special Session 2025 C convened Tuesday, February 11, to no later than Friday, February 14, 2025.

In Conclusion, Lawmakers on Thursday, February 13, 2025 passed, and Gov. Ron DeSantis signed a pair of sweeping immigration bills (SB 2C, SB 4C), wrapping up a special session on the issue aimed at helping the Trump administration crackdown on undocumented people and sending a message that Florida officials, both state and local, will help the federal government with deportations and the state will become more hostile to those who have entered the country illegally. The session produced compromise legislation that will create a more definitive state infrastructure for dealing with immigration issues.

<u>Legislation on Annexation:</u> – Annexation of Property

Just as in previous years, we have been in touch with House and Senate members with regards to the annexation matter with respect to the Town of Pembroke Park. We will always advise of updates and progress if anything should transpire in the coming months. We are constantly monitoring this matter as we know it is of high priority to the Town of Pembroke Park, and what impacts and implications it could mean for the Town. There are currently, two annexation bills that have been filed: HB 275- Annexing State-owned Lands, filed on 1/28/2025, by Rep. Jon Albert and SB 384- Annexing State-owned Lands filed on 2/10/2025, by Sen. Colleen Burton. These bills implement notification requirements for the annexation of state-owned lands by municipalities. In Summary, the filed text does the following:

- Mandates that municipalities intending to annex state-owned lands must notify the relevant county legislative delegation in writing or via email when the advertisement for the first public hearing is published.

- Ensures that an ordinance for annexing territory must be preceded by at least two advertised public hearings.
- Requires a referendum on the annexation to be conducted before the annexation ordinance can become effective.
- Reenacts provisions within sections 101.6102(5) and 171.042 of the Florida Statutes to integrate the amendments made to section 171.0413, ensuring consistency in the application of the law related to mail ballot elections and prerequisites for annexation.

Pembroke Park Legislative Program:

We are consistently and constantly working with all team members regarding alternative strategies for achieving our legislative objectives and for obtaining legislative funding for future projects, including securing grant money. We are aware that the Town's Appropriation Project Request (APR) for funding has been modified to encompass matters that impact the Town residents, such as taxes, public services, permitting and development.

Commissioner Jacobs recommended increasing the Town's minimum starting salary to $52,000, emphasizing that the adjustment would help

employees manage the rise in the cost of living and inflation, which has made affordability more challenging.

Clerk Commissioner Hodgkins and Vice Mayor Morrissette concurred.

Vice Mayor Morrissette requested this item be placed on the consent agenda.

11.2 Financial Literacy Program - Vice Mayor Morrissette and Town Manager Lynch

Vice Mayor Morrissette shared that he learned about this program at an NLC conference. He met with the CEO of First Florida Credit Union, who showed him an existing Financial Literacy program they have in place for youth. His goal in implementing this initiative is to educate young people on best financial practices.

Town Manager Lynch aims to target ninth graders for this program and plans to hold it at Town Hall.

Commissioner Jacobs expressed no opposition to the program as long as it remains cost-free for the town and continues to be promoted within the community.

Town Manager Lynch noted that there would be a minimal cost involved.

Town Attorney Horowitz requested more details on how the program works. From an administrative standpoint, there is no issue with implementing the program, and by consensus, the Town Manager can move forward with it. If the town chooses to establish the program, no resolution or motion is required for approval. However, the expenditure and investment of public funds may be subject to different conditions. He noted that there are specific limitations on how public funds can be invested and stated that he did not have enough information about the program to determine whether it would comply with those requirements.

Commissioner Jacobs recommended directing the Town Manager and Town Attorney to review the program and provide recommendations to the Commission at an appropriate time.

Subject:	Discussion and Possible Action on Fire Hydrants – Town Manager Lynch & Chief Kane
Meeting Date:	Agenda for Workshop Commission Meeting - February 26, 2025
Prepared For:	Town Commission
Staff Contact:	David Lynch, Town Manager
Dept/Group:	
Recommendation for Counsel to consider:	
Background Information:	The Fire Department conducted a comprehensive area survey of the mobile home parks within the town. Among the communities visited, two stand out as presenting a significant risk in the event of a severe fire incident: **Lake Shore MHP** and **Park Lake Estates** are notable examples where the distance between the nearest fire hydrant and the furthest home exceeds the supply hose lengths carried by our responding Engine. Specifically: • **Lake Shore MHP** (2701 S. Park Rd.) requires approximately 1,400 feet of supply hose to reach the furthest home. • **Park Lake Estates** (3184 West Hallandale Beach Blvd.) requires approximately 3,800 feet of supply hose. To illustrate, attached are aerial photographs of these parks, with icons marking the locations of the existing fire hydrants. These images highlight the insufficient water supply infrastructure and the potential for improvement. Chief Kane - In my professional opinion, it would be highly beneficial to enhance water supply access within these mobile home parks by installing interior hydrants near the center of the parks or, ideally, by adding multiple hydrants throughout. This would significantly improve safety, facilitate rapid deployment, and enhance the effectiveness of our firefighting efforts.

Permits are not included in cost, unless specifically listed in pricing. If permits are required Signed/Sealed drawings are needed and are also not included unless specifically listed in pricing. Any costs for muncipal permits, paid by installer, will be charged back to the owner. Adding permits to any job will increase the length of completion, expect total time to be about **150 days**, after receipt of Site Plan from owner/customer (this is not due to manufacturing but rather the permit process at the muncipality level). It is expected that the **owner will provide approved site plans** of the area for the permit office, and will help and assist in the securing of all required approvals before assembly of equipment can begin. Installer cannot provide site plans. **The permit process can not begin until appropriate and current site plans are provided by owner.** If there are no current surveys or site plans available, the owner may be required to obtain a new survey for the permit. This is the responsibility of the owner to obtain. If additional permitting requirements are needed during the process, those will be added and billed accordingly, i.e. soil density test, formed footers, etc.

Permits are not included in cost, unless specifically listed in pricing. If permits are required Signed/Sealed drawings are needed and are also not included unless specifically listed in pricing. Any costs for muncipal permits, paid by installer, will be charged back to the owner. Adding permits to any job will increase the length of completion, expect total time to be about **150 days**, after receipt of Site Plan from owner/customer (this is not due to manufacturing but rather the permit process at the muncipality level). It is expected that the **owner will provide approved site plans** of the area for the permit office, and will help and assist in the securing of all required approvals before assembly of equipment can begin. Installer cannot provide site plans. **The permit process can not begin until appropriate and current site plans are provided by owner.** If there are no current surveys or site plans available, the owner may be required to obtain a new survey for the permit. This is the responsibility of the owner to obtain. If additional permitting requirements are needed during the process, those will be added and billed accordingly, i.e. soil density test, formed footers, etc.

Permits are not included in cost, unless specifically listed in pricing. If permits are required Signed/Sealed drawings are needed and are also not included unless specifically listed in pricing. Any costs for muncipal permits, paid by installer, will be charged back to the owner. Adding permits to any job will increase the length of completion, expect total time to be about **150 days**, after receipt of Site Plan from owner/customer (this is not due to manufacturing but rather the permit process at the muncipality level). It is expected that the **owner will provide approved site plans** of the area for the permit office, and will help and assist in the securing of all required approvals before assembly of equipment can begin. Installer cannot provide site plans. **The permit process can not begin until appropriate and current site plans are provided by owner.** If there are no current surveys or site plans available, the owner may be required to obtain a new survey for the permit. This is the responsibility of the owner to obtain. If additional permitting requirements are needed during the process, those will be added and billed accordingly, i.e. soil density test, formed footers, etc.

Payment Terms: Governmental Purchase Order.
Purchases in excess of $1,000.00 to be supported by your written purchase order made out to GameTime.
Net 30 days subject to approval by GameTime Credit Manager. A completed Credit Application and Bank Reference Authorization, must be received with the order. The decision on credit is the sole discretion of GameTime/PlayCore. A 1.5% per month finance charge will be imposed on all past due accounts.
Multiple Invoices: Invoices will be generated upon services rendered. When equipment ships it will be invoiced seperately from installation and/or other services. Terms are Net 30 for each individual invoice.
This Quotation is subject to policies in the current GameTime Park and Playground Catalog and the following terms and conditions. Our quotation is based on shipment of all items at one time to a single destination, unless noted, and changes are subject to price adjustment.
Pricing: Firm for 60 days from date of quotation.
Shipment: F.O.B. factory, order shall ship within 120 days after GameTime's receipt and acceptance of your purchase order, color selections, approved submittals, and receipt of payment.
Taxes: State and local taxes will be added at time of invoicing, if not already included, unless a tax exempt certificate is provided at the time of order entry.
Exclusions: Unless specifically discussed, this quotation excludes all sitework and landscaping; removal of existing equipment; acceptance of equipment and off-loading; lift gate delivery; storage of goods prior to installation; security of equipment (on site and at night); equipment assembly and installation; safety surfacing; borders; drainage; signed/sealed drawings; or permits.

Installation Terms: Shall be by a Certified Installer. The installer is an indepedent installer and not part of PlayCore, GameTime, nor Dominica Recreation Products. If playground equipment, installer will be NPSI and Factory Trained and Certified. Unless otherwise noted, installation is based on a standard installation consistent with GameTime installation sheets and in suitable soil with a sub-base that will allow proper playground installation. Drainage is not part of our scope of work unless otherwise noted. Customer shall be responsible for scheduling and coordination with the installer. Site should be level and allow for unrestricted access of trucks and machinery. Customer shall also provide a staging and construction area. Installer not responsible for sod replacement or damage to access path and staging area. Customer shall be responsible for unknown conditions such as buried utilities, tree stumps, rock, or any concealed materials or conditions that may result in additional labor or material costs. Customer will be billed hourly or per job directly by the installer for any additional costs that were not previously included.

Unitary Surfacing Notes : The installer of the Unitary Surfacing (Poured, Bonded, Turf, Tiles) is not the same installer of the playground equipment. However, your certified equipment installer will coordinate the timing of the unitary surfacing installation, but more than likely they will not be on-site at the time. They will continue to be your contact should you have any questions. Security is needed to protect surfacing at night or after installation as the product set. Normally it is not needed or a concern, however in some areas additional security is needed to prevent vandalism. **Security is not included.** Vandalism will be the responsible of the owner.

GAMETIME POLICIES

Specifications: Specifications were current at the time of publication. GameTime has an ongoing policy of product improvement and therefore reserves the right to modify specifications or discontinue products without notice.

Terms of sale: To governmental agencies and tax supported institutions, and those with approved credit, payment is due 30 days from the date of invoice. A 1.5% per month finance charge will be imposed on all past due accounts. We also accept payment by VISA, MasterCard or American Express. All other orders will require a 50% deposit at time of order entry. The balance will be due with a certified check upon receipt of shipment (C.O.D.).

Prices: Prices are F.O.B. factory and do not include freight charges. All prices were current at time of publication and quoted in U.S. Funds. Prices are subject to change without notice. Current prices will apply at the time of shipment. Due to the abnormally high cost of fuel and its impact on many of the materials used in our industry, quotations are valid for 30 days only and prices may be subject to material and fuel surcharges at time of shipment.

Freight charges: Freight charges are determined and collected by the carrier unless GameTime is requested and agrees to prepay and add these costs to the invoice.

Taxes: If applicable, taxes will be added to the invoice except when a tax exempt certificate is provided with the purchase order at the time of order entry.

Minimum Order: Our minimum order is US $50.00.

Order cancellation: Once accepted, orders can be canceled only with the consent of GameTime, and on terms which will indemnify GameTime against loss. Canceled orders will be subject to a restocking fee. Equipment “built-to-order” is non-cancelable.

Domestic shipments: Unless specifically given routing instructions on the purchase order, shipment will be made via the carrier we consider to be the most economical and practical in reaching the final destination.

Delays in transit: GameTime is not responsible for delays in transit and such delays shall not alter our invoicing terms.

Loss or damage in transit: GameTime is not responsible for loss or damage in transit. Carefully check all materials received; any shortage, discrepancy or damage must be noted on the delivery receipt and signed by the carriers representative. Failure to note exceptions on the delivery receipt may impair your right to recovery from the car-

Weights: All published weights are estimated and include appropriate packing materials. Actual weights may vary slightly.

DRAFT Florida Ordinance 2023-05-22
BLS EXAMPLE ORDINACE - 2024
Blue Line Solutions Speed Study

PROPOSED ORDINANCE NO. _____

AN ORDINANCE OF [CITY/TOWN], FLORIDA RELATED TO POWERS OF LOCAL AUTHORITIES; SPEED DETECTION SYSTEM PLACEMENT AND INSTALLATION; SCHOOL CROSSING GUARD RECRUITMENT AND RETENTION PROGRAM; SPEED DETECTION SYSTEMS IN SCHOOL ZONES; SPEED DETECTION SYSTEMS; PENALTIES; DRIVER LICENSE POINTS; PROVIDING FOR THE REPEAL OF ORDINANCES IN CONFLICT HEREWITH; PROVIDING FOR SEVERABILITY; PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE [GOVERNING BODY OF CITY/TOWN], FLORIDA, AS FOLLOWS:

WHEREAS, Florida Statutes section 316.008(9)(A) permits a city or municipality to enforce the applicable speed limit on a roadway properly maintained as a school zone pursuant to Florida Statutes section 316.1895 during specified times through the use of a speed detection system for the detection of speed and capturing of photographs or videos for violations in excess of ten (10) miles per hour over the speed limit in force at the time of the violation; and

WHEREAS, Florida Statutes section 316.008(9)(B) permits a county or municipality to install, or contract with a vendor to place or install, a speed detection system within a roadway maintained as a school zone as provided in Florida Statutes section 316.1895 to enforce unlawful speed violations, as specified in Florida Statutes sections 316.1895(10) or 316.183 on that roadway.

WHEREAS, Florida Statutes section 316.008(9)(C) requires a county or municipality to enact an ordinance to authorize the placement or installation of a speed enforcement system on a roadway maintained as a school zone after a public hearing on such proposed ordinance in which the county or municipality considers traffic data or other evidence supporting the installation and operation of each proposed school zone speed detection system, and the county or municipality determines that the school zone where a speed detection system is to be placed or installed constitutes a heightened safety risk that warrants additional enforcement measures;

WHEREAS, the [GOVERNING BODY OF CITY/TOWN] has held a public hearing in which it considered traffic data and other evidence and has found that school zones within the municipality constitute heightened safety risks that warrant additional enforcement measures;

[ONLY NEEDED IF CITY HAS NEVER CONDUCTED A SCHOOL ZONE SPEED DETECTION PROGRAM -WHEREAS, the [CITY/TOWN], having never before conducted a

school zone speed detection program, has made a public announcement, conducted a public awareness campaign of the proposed use of speed detection systems at least thirty (30) days before commencing enforcement under the speed detection system, and has notified the public of the specific date on which the program will commence; and]

WHEREAS, the [GOVERNING BODY OF CITY/TOWN] believes that the regulations proposed in this Ordinance promote and enhance the health, safety, and welfare of its citizens.

NOW THEREFORE, BE IT ORDAINED BY THE [GOVERNING BODY OF CITY/TOWN], AS FOLLOWS:

SECTION 1. DEFINITIONS. The following words and phrases, when used in this Ordinance, shall have the meanings inscribed to them in Florida Statutes sections 316.003, 316.1906, and 316.1895:

(1) Local Hearing Officer means the person designated by a department, county, or municipality that elects to authorize traffic infraction enforcement officers to issue traffic citations under Florida Statutes sections 316.0083(1)(A) and 316.1896(1) who is authorized to conduct hearings related to a notice of violation issued pursuant to Florida Statutes sections 316.0083 or 316.1896. The charter county, noncharter county, or municipality may use its currently appointed code enforcement board or a special magistrate to serve as the local hearing officer. The department may enter into an interlocal agreement to use the local hearing officer of a county or municipality.

(2) School Speed Zone means a school speed zone established pursuant to and in conformance with Florida Statutes section 316.1895.

(3) Speed Detection System means a portable or fixed automated system used to detect a motor vehicle's speed using radar or lidar and to capture a photograph or video of the rear of a motor vehicle that exceeds the speed limit in force at the time of the violation.

(4) Traffic Infraction Enforcement Officer means a person who is employed or appointed, with or without compensation, and satisfies the requirements of Florida Statutes section 316.640(5), and is vested with authority to enforce violations of Florida Statutes sections 316.1895 and 316.183 pursuant to Florida Statutes section 316.1896.

SECTION 2. POWERS OF LOCAL AUTHORITIES.

(A) Pursuant to Florida Statutes section 316.008(9), [CITY/TOWN/ETC.] is authorized to enforce the applicable speed limit on a roadway properly maintained as a school zone, through the use of a speed detection system for the detection of speed and capturing of

photographs or videos for speeding violations in excess of ten (10) miles per hour over the speed limit in force at the time of the violation during the following times:

(1) Within thirty (30) minutes before through thirty (30) minutes after the start of a regularly scheduled breakfast program;

(2) Within thirty (30) minutes before through thirty (30) minutes after the start of a regularly scheduled school session.

(3) During the entirety of a regularly scheduled school session; and

(4) Within thirty (30) minutes before through thirty (30) minutes after the end of a regularly scheduled school session.

(B) A school zone's compliance with Florida Statutes section 316.1895, relating to the establishment of school speed zones, creates a rebuttable presumption that the school zone is properly maintained.

SECTION 3. SPEED DETECTION SYSTEM PLACEMENT AND INSTALLATION; NOTICE; ANNUAL REPORT.

(A) [CITY/TOWN/ETC.] is authorized to install a speed detection system authorized by Florida Statutes section 316.008(9) in a school zone on a state road when permitted by the State Department of Transportation and in accordance with placement and installation specifications developed by the Department of Transportation. [CITY/TOWN/ETC.] may place or install a speed detection system in a school zone on a street or highway under the jurisdiction of a county or a municipality in accordance with placement and installation specifications established by the Department of Transportation. The Department of Transportation must establish such placement and installation specifications by December 31, 2023.

(B) In all locations where [CITY/TOWN/ETC.] places or installs a speed detection system, as authorized by Florida Statutes section 316.008(9), [CITY/TOWN/ETC.] shall notify the public that a speed detection system may be in use by posting signage indicating photographic or video enforcement of the school zone speed limits. Such signage shall clearly designate the time period during which the school zone speed limits are enforced using a speed detection system and must meet the placement and installation specifications established by the Department of Transportation. For a speed detection system enforcing violations of Florida Statutes sections 316.1895 or 316.183 on a roadway maintained as a school zone, this paragraph governs the signage notifying the public of the use of a speed detection system.

(C) [ONLY NEEDED IF NO SCHOOL SPEED ZONE PROGRAM CONDUCTED BEFORE - As [CITY/TOWN/ETC.] has never before conducted a school speed zone program, [CITY/TOWN/ETC.] shall make a public announcement and conduct a

public awareness campaign of the proposed use of speed detection systems at least thirty (30) days before commencing enforcement under the speed detection system program and shall notify the public of the specific date on which the program will commence. During the thirty-day public awareness campaign, only a warning may be issued to the registered owner of a motor vehicle for a violation of Florida Statutes sections 316.1895 or 316.183 enforced by a speed detection system, and liability may not be imposed for the civil penalty under Florida Statutes section 318.18(3)(d).]

(D) So long as [CITY/TOWN/ETC.] operates one or more school zone speed detection systems, [CITY/TOWN/ETC.] shall annually report the results of all systems within its jurisdiction to the Florida Department of Highway Safety and Motor Vehicles by placing the report required under Florida Statutes section 316.1896(16)(a) as a single reporting item on the agenda of a regular or special meeting of [CITY/TOWN/ETC.'s GOVERNING BODY].

(1) Before [CITY/TOWN/ETC.] contracts or renews a contract to place or install a speed detection system in a school zone pursuant to Florida Statutes section 316.008(9), [CITY/TOWN/ETC.] shall approve the contract or contract renewal at a regular or special meeting of the [CITY/TOWN/ETC.'s GOVERNING BODY]. Interested members of the public shall be allowed to comment regarding the report, contract, or contract renewal under [CITY/TOWN/ETC.]'s public comment policies or formats. The report, contract, or contract renewal may not be considered as part of a consent agenda.

(2) The report required under this paragraph shall include a written summary, which shall be read aloud at the regular or special meeting, and the summary shall contain, for the same time period pertaining to the annual report to the department under Florida Statutes section 316.1896(16)(a), the number of notices of violation issued, the number that were contested, the number that were upheld, the number that were dismissed, the number that were issued as uniform traffic citations, and the number that were paid and how collected funds were distributed and in what amounts. [CITY/TOWN/ETC.] must report to the Florida Department of Highway Safety and Motor Vehicles that the [CITY/TOWN/ETC.]'s annual report was considered in accordance with this paragraph, including the date of the regular or special meeting at which the annual report was considered.

(3) The compliance or sufficiency of compliance with this paragraph may not be raised in a proceeding challenging a violation of Florida Statutes sections 316.1895 or 316.183, enforced by a speed detection system in a school zone.

SECTION 4. SCHOOL CROSSING GUARD RECRUITMENT AND RETENTION PROGRAM. The law enforcement agency having jurisdiction over [CITY/TOWN/ETC.] must use funds generated from the school zone speed detection system program pursuant to Florida Statutes section 316.1896(5)(e) to administer the School Crossing Guard Recruitment and Retention Program. Such program may provide recruitment and retention stipends to crossing guards at k-12 public schools, including charter schools, or stipends to third parties for the recruitment of new crossing guards. The school crossing guard recruitment and retention program must be designed and managed at the discretion of the law enforcement agency.

SECTION 5. ROADWAYS MAINTAINED AS SCHOOL ZONES; SPEED DETECTION SYSTEM ENFORCEMENT; PENALTIES; APPEAL; PROCEDURE; PRIVACY; REPORTS.

(A) For purposes of administering this Section, a [CITY/TOWN/ETC.] may authorize a traffic infraction enforcement officer under Florida Statutes section 316.640 to issue uniform traffic citations for violations of Florida Statutes sections 316.1895 and 316.183, as authorized by Florida Statutes sections 316.008(9), as follows:

(1) For a violation of Florida Statutes section 316.1895 in excess of ten (10) miles per hour over the school zone speed limit which occurs within thirty (30) minutes before through thirty (30) minutes after the start of a regularly scheduled breakfast program.

(2) For a violation of Florida Statutes section 316.1895 in excess of ten (10) miles per hour over the school zone speed limit which occurs within thirty (30) minutes before through thirty (30) minutes after the start of a regularly scheduled school session.

(3) For a violation of Florida Statutes section 316.183 in excess of ten (10) miles per hour over the posted speed limit during the entirety of a regularly scheduled school session.

(4) For a violation of Florida Statutes section 316.1895 in excess of ten (10) miles per hour over the school zone speed limit which occurs within thirty (30) minutes before through thirty (30) minutes after the end of a regularly scheduled school session.

(B) Violations must be evidenced by a speed detection system described in Florida Statutes sections 316.008(9) and 316.0776(3). This subsection does not prohibit a review of information from a speed detection system by an authorized employee or agent of a [CITY/TOWN/ETC.] before issuance of the uniform traffic citation by the traffic infraction enforcement officer. This subsection does not prohibit [CITY/TOWN/ETC.] from issuing notices as provided in subsection (C) below to the

registered owner of the motor vehicle for a violation of Florida Statutes sections 316.1895 or 316.183.

(C) Within thirty (30) days after a violation, notice must be sent to the registered owner of the motor vehicle involved in the violation specifying the remedies available under Florida Statutes section 318.14 and that the violator must pay the penalty under Florida Statutes section 318.18(3)(d) to the [CITY/TOWN/ETC.], or furnish an affidavit in accordance with subsection (I) below, within thirty (30) days after the date of the notice of violation in order to avoid court fees, costs, and the issuance of a uniform traffic citation. The notice of violation must:

(1) Be sent by first-class mail;

(2) Include a photograph or other recorded image showing the license plate of the motor vehicle; the date, time, and location of the violation; the maximum speed at which the motor vehicle was traveling within the school zone; and the speed limit within the school zone at the time of the violation;

(3) Include a notice that the owner has the right to review, in person or remotely, the photograph or video captured by the speed detection system and the evidence of the speed of the motor vehicle detected by the speed detection system which constitute a rebuttable presumption that the motor vehicle was used in violation of Florida Statutes sections 316.1895 or 316.183; and

(4) State the time when, and the place or website at which, the photograph or video captured and evidence of speed detected may be examined and observed.

(D) Notwithstanding any other law, a person who receives a notice of violation under this Section may request a hearing within thirty (30) days after the notice of violation or may pay the penalty pursuant to the notice of violation, but a payment or fee may not be required before the hearing requested by the person. The notice of violation must be accompanied by, or direct the person to a website that provides, information on the person's right to request a hearing and on all costs related thereto and a form used for requesting a hearing. As used in this subsection, the term "person" includes a natural person, the registered owner or co-owner of a motor vehicle, or the person identified in an affidavit as having actual care, custody, or control of the motor vehicle at the time of the violation.

(E) If the registered owner or co-owner of the motor vehicle; the person identified as having care, custody, or control of the motor vehicle at the time of the violation; or an authorized representative of the owner, co-owner, or identified person initiates a proceeding to challenge the violation, such person waives any challenge or dispute as to the delivery of the notice of violation.

(F) Penalties assessed and collected by [CITY/TOWN/ETC.], less the amount retained by [CITY/TOWN/ETC.] pursuant to subsections (2) and (5) below, and the amount remitted to the county school district pursuant to subsection (4), shall be paid to the State Department of Revenue weekly. Such payment shall be made by means of electronic funds transfer. In addition to the payment, a detailed summary of the penalties remitted shall be reported to the Department of Revenue. Penalties to be assessed and collected by the county or municipality as established in Florida Statutes section 318.18(3)(d) shall be remitted as follows:

(1) Twenty dollars ($20.00) shall be remitted to the Department of Revenue for deposit into the General Revenue Fund;

(2) Sixty dollars ($60.00) shall be retained by [CITY/TOWN/ETC.] and shall be used to administer speed detection systems in school zones and other public safety initiatives;

(3) Three dollars ($3.00) shall be remitted to the Department of Revenue for deposit into the Department of Law Enforcement Criminal Justice Standards and Training Trust Fund;

(4) Twelve dollars ($12.00) shall be remitted to the county school district in which the violation occurred and must be used for school security initiatives, for student transportation, or to improve the safety of student walking conditions. These funds shall be shared with charter schools in the district based on each charter school's proportionate share of the district's total unweighted full-time equivalent student enrollment and must be used for school security initiatives or to improve the safety of student walking conditions; and

(5) Five dollars ($5.00) shall be retained by [CITY/TOWN/ETC.] for the school crossing guard recruitment and retention program pursuant to Florida Statutes section 316.1894.

(G) A uniform traffic citation shall be issued by mailing the uniform traffic citation by certified mail to the address of the registered owner of the motor vehicle involved in the violation if payment has not been made within thirty (30) days after notification pursuant to subsection (C) above, if the registered owner has not requested a hearing as authorized under subsection (D), and if the registered owner has not submitted an affidavit in accordance with subsection (I).

(1) Delivery of the uniform traffic citation constitutes notification of a violation under this subsection. If the registered owner or co-owner of the motor vehicle; the person identified as having care, custody, or control of the motor vehicle at the time of the violation; or a duly authorized representative of the owner, co-owner, or identified person initiates a proceeding to challenge the citation pursuant to this section, such person

waives any challenge or dispute as to the delivery of the uniform traffic citation.

(2) In the case of joint ownership of a motor vehicle, the uniform traffic citation shall be mailed to the first name appearing on the motor vehicle registration, unless the first name appearing on the registration is a business organization, in which case the second name appearing on the registration may be used.

(3) The uniform traffic citation mailed to the registered owner of the motor vehicle involved in the infraction shall be accompanied by the information described in subsections (C)(2), (C)(3), and (C)(4).

(H) The registered owner of the motor vehicle involved in the violation is responsible and liable for paying the uniform traffic citation issued for a violation of Florida Statutes sections 316.1895 or 316.183 unless the owner can establish that:

(1) The motor vehicle was, at the time of the violation, in the care, custody, or control of another person;

(2) A uniform traffic citation was issued by law enforcement to the driver of the motor vehicle for the alleged violation of Florida Statutes sections 316.1895 or 316.183; or

(3) The motor vehicle's owner was deceased on or before the date of the alleged violation, as established by an affidavit submitted by the representative of the motor vehicle owner's estate or other identified person or family member.

(I) To establish such facts under subsection (F), the registered owner of the motor vehicle must, within thirty (30) days after the date of issuance of the notice of violation or the uniform traffic citation, furnish to the appropriate governmental entity an affidavit setting forth the following information supporting an exception under subsection (F):

(1) An affidavit supporting the exception under subsection (F)(1) must include the name, address, date of birth, and, if known, the driver license number of the person who leased, rented, or otherwise had care, custody, or control of the motor vehicle at the time of the alleged violation. If the motor vehicle was stolen at the time of the alleged violation, the affidavit must include the police report indicating that the motor vehicle was stolen.

(2) If a uniform traffic citation for a violation of Florida Statutes sections 316.1895 or 316.183 was issued at the location of the violation by a law enforcement officer, the affidavit must include the serial number of the uniform traffic citation.

(3) If the motor vehicle's owner to whom a notice of violation or a uniform traffic citation has been issued is deceased, the affidavit must include a certified copy of the owner's death certificate showing that the date of death occurred on or before the date of the alleged violation and one of the following:

(a) A bill of sale or other document showing that the deceased owner's motor vehicle was sold or transferred after his or her death but on or before the date of the alleged violation;

(b) Documented proof that the registered license plate belonging to the deceased owner's motor vehicle was returned to the department or any branch office or authorized agent of the department after his or her death but on or before the date of the alleged violation; or

(c) A copy of the police report showing that the deceased owner's registered license plate or motor vehicle was stolen after his or her death but on or before the date of the alleged violation.

(4) Upon receipt of the required affidavit and documentation specified above related to the issuance of a uniform traffic citation or a deceased owner, or thirty (30) days after the date of issuance of a notice of violation sent to a person identified as having care, custody, or control of the motor vehicle at the time of the violation pursuant to subsection (I)(1) above, [CITY/TOWN/ETC.] shall dismiss the notice or citation and provide proof of such dismissal to the person who submitted the affidavit. If, within thirty (30) days after the date a notice of violation was sent to a person, [CITY/TOWN/ETC.] receives an affidavit from the person sent a notice of violation affirming that the person did not have care, custody, or control of the motor vehicle at the time of the violation, [CITY/TOWN/ETC.] shall notify the registered owner that the notice or citation will not be dismissed due to failure to establish that another person had care, custody, or control of the motor vehicle at the time of the violation.

(J) Upon receipt of an affidavit identifying another person as having care, custody, or control of the vehicle, the person identified may be issued a notice of violation for a violation of Florida Statutes sections 316.1895 or 316.183. The affidavit is admissible in a proceeding for the purpose of providing proof that the person identified in the affidavit was in actual care, custody, or control of the motor vehicle. The owner of a leased motor vehicle for which a uniform traffic citation is issued for a violation of Florida Statutes section 316.1895 is not responsible for paying the uniform traffic citation and is not required to submit an affidavit if the motor vehicle involved in the violation is registered in the name of the lessee of such motor vehicle.

(K) If [CITY/TOWN/ETC.] receives an affidavit identifying another person as having care, custody, or control of the vehicle, the required notice of violation shall be sent to the person identified in the affidavit within thirty (30) days after receipt of the affidavit. The person identified in the affidavit and who received a notice of violation may also affirm that he or she did not have care, custody, or control of the motor vehicle at the time of the violation by furnishing to the appropriate governmental entity within thirty (30) days after the date of the notice of violation an affidavit stating such.

(L) The submission of a false affidavit is a misdemeanor of the second degree, punishable with up to sixty (60) days in jail or a five-hundred dollar ($500.00) fine pursuant to Florida Statutes sections 775.082 or 775. 083.

(M) The photograph or video captured by a speed detection system and the evidence of the speed of the motor vehicle detected by a speed detection system which are attached to or referenced in the uniform traffic citation are evidence of a violation of Florida Statutes sections 316.1895 or 316.183, and are admissible in any proceeding to enforce the violation. The photograph or video and the evidence of speed detected raise a rebuttable presumption that the motor vehicle named in the report or shown in the photograph or video was used in violation of Florida Statutes sections 316.1895 or 316.183.

(N) This bill supplements the enforcement of Florida Statutes sections 316.1895 and 316.183 by a law enforcement officer and does not prohibit a law enforcement officer from issuing a uniform traffic citation for a violation of Florida Statutes sections 316.1895 or 316.183.

(O) A hearing related to the violation shall be conducted under the procedures established in Florida Statutes section 316.0083(5), as follows:

(1) The Florida Department of Highway Safety and Motor Vehicles shall publish and make available electronically to [CITY/TOWN/ETC.] a model request for hearing form to assist each county or municipality administering Florida Statutes section 316.1896.

(2) [CITY/TOWN/ETC.] shall designate by resolution existing staff to serve as the clerk to the local hearing officer.

(3) A person who elects to request a hearing (i.e., the petitioner) shall be scheduled for a hearing by the clerk to the local hearing officer. The clerk shall furnish the petitioner with notice sent by first-class mail. Upon receipt of the notice, the petitioner may reschedule the hearing up to two times by submitting a written request to reschedule to the clerk at least five (5) calendar days before the day of the scheduled hearing. The petitioner may cancel his or her appearance before the local hearing

officer by paying the assessed penalty plus the administrative costs of fifty dollars and twenty-six cents ($50.26) before the start of the hearing.

(4) At the conclusion of the hearing, the local hearing officer shall determine whether a violation occurred and shall uphold or dismiss the violation. The local hearing officer shall issue a final administrative order including the determination and, if the notice of violation is upheld, shall require the petitioner to pay the one-hundred dollars ($100.00) penalty previously assessed, and may also require the petitioner to pay county or municipal costs not to exceed two-hundred and fifty dollars and twenty-seven cents ($250.27). The final administrative order must be mailed to the petitioner by first-class mail.

(5) An aggrieved party may appeal a final administrative order consistent with the process provided in Florida Statutes section 162.11 relating to appeals of an order of the code enforcement board.

(P)

(1) A speed detection system in a school zone may not be used for remote surveillance. The collection of evidence by a speed detection system to enforce violations of Florida Statutes sections 316.1895 and 316.183, or user-controlled pan or tilt adjustments of speed detection system components, do not constitute remote surveillance. Recorded video or photographs collected may only be used to document violations of Florida Statutes sections 316.1895 and 316.183, and for purposes of determining civil or criminal liability for incidents captured by the speed detection system incidental to the permissible use of the speed detection system.

(2) Any recorded video or photograph obtained through the use of a speed detection system shall be destroyed within ninety (90) days after the final disposition of the recorded event. The vendor of the speed detection system shall provide [CITY/TOWN/ETC.] with written notice by December 31 of each year that such records have been destroyed. Evidence of the speed of a motor vehicle detected by a compliant speed detection system and the determination by a traffic enforcement officer that a motor vehicle is operating in excess of the applicable speed limit is admissible in any proceeding with respect to an alleged violation of law regulating the speed of motor vehicles in school zones.

SECTION 7. PENALTIES.

presents documentation from the appropriate governmental entity that the notice of violation or uniform traffic citation was in error, the clerk of court or clerk of the local hearing officer may dismiss the case. The clerk of court or clerk to the local hearing officer may not charge for this service.

SECTION 8. DRIVER LICENSE POINTS. No points shall be imposed on a driver's license for a violation of unlawful speed in a school zone when enforced by a traffic infraction enforcement officer through use of a speed detection system as authorized by this Ordinance. In addition, a violation of unlawful speed in a school zone when enforced by a traffic infraction enforcement officer through use of a speed detection system as described above may not be used for purposes of setting motor vehicle insurance rates.

SECTION 9. CONFORMING CHANGES. Pursuant to Florida Statutes section 316.640, traffic enforcement officers may issue traffic citations to enforce school zone speed limits. Pursuant to Florida Statutes section 316.650, the traffic infraction enforcement officer shall provide traffic citation data to the court within five (5) business days after the date of issuance of the citation to the violator. Pursuant to Florida Statutes section 318.14, traffic citations issued pursuant to this Ordinance are excepted from the requirement that certain traffic violations be signed.

SECTION 10. REPEALER. Any other ordinance or provision or an ordinance in conflict with this Ordinance shall be repealed to the extent of, but only to the extent of, the explicit conflict with this Ordinance.

SECTION 12. EFFECTIVE DATE. This ordinance shall take effect immediately upon its adoption.
