(1)(2) This section applies to legal notices that must be published in accordance with this chapter unless otherwise specified.

(2)(3) If a governmental agency publishes a legal notice in the print edition of a newspaper, each legal notice must be published ~~posted~~ on the newspaper's website on the same day that the printed notice appears in the newspaper, at no additional charge, in a separate web page titled "Legal Notices," "Legal Advertising," or comparable identifying language. A link to the legal notices web page shall be provided on the front page of the newspaper's website that provides access to the legal notices. If there is a specified size and placement required for a printed legal notice, the size and

placement of the notice on the newspaper's website must optimize its online visibility in keeping with the print requirements. The newspaper's web pages that contain legal notices must present the legal notices as the dominant and leading subject matter of those pages. The newspaper's website must contain a search function to facilitate searching the legal notices. A fee may not be charged, and registration may not be required, for viewing or searching legal notices on a newspaper's website if the legal notice is published in a newspaper.

(3)(a)(4)(a) If a legal notice is published in the print edition of a newspaper ~~or on a newspaper's website~~, the newspaper publishing the notice shall place the notice on the statewide website established and maintained as an initiative of the Florida Press Association as a repository for such notices located at the following address: www.floridapublicnotices.com.

(b) A legal notice placed on the statewide website created under this subsection must be:

Such searchable archive shall be provided and accessible to the general public without charge.

~~(d) The Florida Press Association shall seek to ensure that minority populations throughout the state have equitable access to legal notices posted on the statewide legal notice website located at: www.floridapublicnotices.com. The Florida Press Association shall publish a report listing all newspapers that have placed notices on www.floridapublicnotices.com in the preceding calendar quarter. The report must specifically identify which criteria under s. 50.011(1)(c)1.-3. each newspaper satisfied. Each quarterly report must also include the number of unique visitors to the statewide legal notice website during that quarter and the number of legal notices that were published during that quarter by Internet-only publication or by publication in a print newspaper and on the statewide website. At a minimum, the reports for the 4 preceding calendar quarters shall be available on the website.~~

(5)(a) ~~In lieu of publishing a legal notice in the print edition of a newspaper of general circulation, a governmental agency may opt for Internet-only publication of governmental agency notices with any newspaper of general circulation within the jurisdiction of the affected governmental agency so long as the governmental agency, after a public hearing noticed in a print edition of a newspaper in accordance with this chapter,~~

~~makes a determination by a majority of the members of the governing body of the governmental agency that the Internet publication of such governmental agency notices is in the public interest and that the residents within the jurisdiction of the governmental agency have sufficient access to the Internet by broadband service as defined in s. 364.02 or through other means such that Internet-only publication of governmental agency notices would not unreasonably restrict public access. Any such Internet-only publication published in accordance with this subsection must be placed in the legal notices section of the newspaper's website and the statewide legal notice website established under subsection (4). All requirements regarding the format and accessibility of legal notices placed on the newspaper's website and the statewide legal notice website in subsections (3) and (4) also apply to Internet-only publication of legal notices published in accordance with this subsection. A newspaper is deemed to be a newspaper of general circulation within the jurisdiction of the affected governmental agency if it satisfies the criteria in s. 50.011(1).~~

~~(b) The legal notices section of the print edition of a newspaper must include a disclaimer stating that additional legal notices may be accessed on the newspaper's website and the statewide legal notice website. The legal notices section of the newspaper's website must also include a disclaimer stating that legal notices are also published in the print edition of the newspaper and on the statewide legal notice website.~~

~~(c) A newspaper may charge for the publication of any governmental agency notice that is published only on the newspaper's website, without rebate, commission, or refund; however, the newspaper may not charge any higher rate for publication than the amount that would be authorized under s. 50.061 if the governmental agency notice had been printed in the newspaper. The penalties prescribed in s. 50.061(7) for allowing or accepting any rebate, commission, or refund in connection to the amounts charged for publication also apply to any governmental agency notices that are published only on the Internet in accordance with this subsection.~~

~~(d) If a governmental agency exercises the option to publish Internet-only governmental agency notices in accordance with this subsection, such agency must provide notice at least once per week in the print edition of a newspaper of general circulation within the region in which the governmental agency is located which states that legal notices pertaining to the agency do not all appear in the print edition of the local newspaper and that additional legal notices may be accessed on the newspaper's website and that a full listing of any legal notices may be accessed on the statewide legal notice website located at www.floridapublicnotices.com. Additionally, any such governmental agency must post a link on its website homepage to a webpage that lists all of the newspapers in which the governmental agency publishes legal notices. A newspaper is deemed to be a newspaper of general circulation within the region in which the governmental agency is located if it satisfies the criteria in s. 50.011(1).~~

(6) ~~Newspapers that publish legal notices shall, upon request, provide e-mail notification of new legal notices when they are published in the newspaper or on the newspaper's website. Such e-mail notification shall be provided without charge, and notification for such an e-mail registry shall be available on the front page of the legal notices section of the newspaper's website.~~

(7) ~~Notwithstanding the authorization of Internet-only publication for certain governmental agency notices in accordance with subsection (5), any other statute requiring the publication of an official legal notice in the print edition of a newspaper may not be construed to be superseded.~~

RE: **PROPOSED CHANGES TO THE FLOODPLAIN ORDINANCE**

At this time, I would like to propose the attached correction to the Town's Floodplain Ordinances, as outlined below:

Certain areas of the Town's Floodplain ordinance have been discussed and proposed with the assistance of the State Floodplain Managers Office (SFMO) for compliance and synchronization to the National Flood Insurance Program (NFIP) and the Florida Building Code.

It's the opinion of the Building Official / Floodplain Administrator that these ordinance corrections and adjustments will place us in a positive direction to obtain a higher rating under the Community Rating System (CRS) guidelines; with the intent to increase the town residents and business owners discount on the flood insurance policies.

As always, if you have further questions or comments, do not hesitate to contact me at your earliest convenience.

Respectfully submitted.

ORDINANCE NO. 2022-005

AN ORDINANCE OF THE TOWN OF PEMBROKE PARK, FLORIDA, AMENDING AND UPDATING CHAPTER 10 “FLOOD PREVENTION AND PROTECTION” OF TOWN’S CODE; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE OF ORDINANCES; SUPERSEDING CONFLICTING ORDINANCES AND RESOLUTIONS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Legislature of the State of Florida has, in Chapter 166, Florida Statutes, conferred upon local governments the authority to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry; and

WHEREAS, the Town of Pembroke Park participates in the National Flood Insurance Program and participates in the NFIP’s Community Rating System, a voluntary incentive program that recognizes and encourages community floodplain management activities that exceed the minimum program requirements and achieved a CRS rating of Class 9, making citizens who purchase NFIP flood insurance policies eligible for premium discounts; and

WHEREAS, in 2020 the NFIP Community Rating System established certain minimum prerequisites for communities to qualify for or maintain class ratings of Class 8 or better; and

WHEREAS, to satisfy the prerequisite and for the Town of Pembroke Park to qualify for a higher CRS rating in the future, all manufactured homes installed or replaced in special flood hazard areas must be elevated to or above at least the base flood elevation plus 1 foot, which necessitates modification of the existing requirements; and

WHEREAS, the Federal Emergency Management Agency released FEMA Policy #104-008-03 Floodplain Management Requirements for Agricultural Structures and Accessory Structures; and

WHEREAS, the Town Commission of the Town of Pembroke Park (the “Town

Commission”) has determined it appropriate to adopt regulations that are consistent with the FEMA Policy to allow issuance of permits for non-elevated wet floodproofed accessory structures that are not larger than the sizes specified in the FEMA Policy; and

RE: **PROPOSED CHANGES TO BUILDING STANDARDS ORDINANCE (CHAPTER 5)**

At this time, I would like to propose the attached proposed changes and addition to the Town's Building Standards Ordinance, as outlined below:

Currently there is no regulation for dust control, penalties (aside of other than the ones imposed by the building code), posting of notices control, and fees recuperation path for unsafe structures in our town code of ordinances; therefore, the addition of these elements will assist in closing the gap, while starting a site and neighboring properties for any dust adverse impact during construction and development.

Therefore, It's the opinion of the Building Official that these ordinance additions and adjustments will place us in a positive direction by implementing reasonable controls during construction and enforcement.

Respectfully submitted.

MEMORANDUM NO.: 22-007

DATE: May 18, 2022

TO: Juan C. Jimenez, Town Manager

FROM: Miguel A. Núñez, Chief Building Official *MN*

RE: **JOSELINE RAMIREZ ADJUSTMENT IN PAY**

This Memorandum is in reference to an adjustment in pay for Joseline Ramirez as referenced above.

- Ms. Ramirez was hired by the Town of Pembroke Park on January 27th, 2014.
- Ms. Ramirez was promoted to Chief Compliance Officer on February 8th, 2021.
- Ms. Ramirez received at the time of her promotion as a Chief Code Enforcement Officer, a salary increase of approximately 11% placing her at the beginning of the salary range for the Supervisor position.
- Ms. Ramirez has recently completed all 4 levels of the Florida Association of Code Enforcement (FACE) program, which is the standard for all code officers in the State of Florida and has now accomplished the highest certification level possible for Code Enforcement Supervisory.

Given the information above, I would like to recommend that the Commission consider a salary increase/adjustment for Chief Joseline Ramirez that is representative of the position she holds and as well as her recent educational accomplishments in the Code Enforcement field. In addition to Joseline's educational accomplishments, it is important to note her outstanding performance in turning the Code Enforcement Department into a proactive and productive operation. She is a committed employee of the Town of Pembroke Park and should be recognized for her efforts to improve the quality of life for the Town residents, business owners, and visitors.

The recommendation is to increase Joseline's salary to \$75,000 annual salary effective June 1st, 2022. The salary range for the position of Code Enforcement Supervisor, which is the current salary range used for the Chief Code Enforcement Officer position, ranges from approximately \$54,000.00 - \$83,000 annual salary. Ms. Ramirez, current annual salary is \$56,373.46. In addition, see attached the salary survey for several cities with the same position.

Furthermore, some of the funds to cover this adjustment, will come from the Building Department at 20%; since this position enforces work without permits and assist in the enforcement of the building code, as per our code of ordinances; thus, the split will be as follows:

[https://tppfl-my.sharepoint.com/personal/mnunez_tppfl_gov/documents/building official/topp-man/pp documents/memos/2022/22-007.docx](https://tppfl-my.sharepoint.com/personal/mnunez_tppfl_gov/documents/building%20official/topp-man/pp%20documents/memos/2022/22-007.docx)

Proposed Salary: \$75,000
Current Salary: \$56,373.46 (100% General Fund)
Building Department proposed contribution: \$15,000 (20%)
General fund addition to proposed salary: \$3,626.54 (4.84%)

We appreciate the Town Commission's consideration in reviewing this request.

Thank you.
