Enviado desde Yahoo Mail para Android Letter. Here we are inhabitants of the Lakeshore Trailer Park and we want you to please think about how right this letter is for the city manager or for a congressman for a senator or someone who reasons and does the right thing and can help and see the problem in which we are regarding that they want to throw us our houses when we do not understand how the city and the government are always trying to find a house for homeless people who have no home to people who cannot pay the rent they look for section 8 something to help them to pay the rent and to us that with sacrifice with our work we bought those houses that until now we realize that they made us a fraud Why they built them without permission and we did not know the problems they were in but the city did know And the great problem is that the city did not do its job !!! if the city had done its job not allowing that to build us we would be scammed the city was the one who should have prevented you from being built by failing to do your job they built we innocently bought and now you want to throw our house into consideration we are Low-income people and how they help the homeless to get a home a home as well as help people who can not pay their rent with social assistance is help us we are not asking for anything or help us build or help us to pay the rent or give us a simple and simple home mind we work hard to buy those humble houses have consideration. Well, the city also has to answer why those constructions were made because it was allowed to build you did not do your job !! It is not about blaming someone just simply and we simply want them not to harm us. We are humble working people who are going to do their jobs but where the rich live and prevent them from building in more cities so that they do not deceive other people who do not make them fraud. sell the things that are wrong because when you buy one you say that it is like cars than when you buy cars but it is also the responsibility of the city to inform when you are going to buy a property to register a title tell you You have already checked the property that is in good condition state that does not have violations, most of us do not know what does not have violations, there are many people who know all that and the city knows it and they must let people know that we do not know that because we have thousands of people who do not know that with the need that we have a home we are not asking for anything the city to help us buy we simply have a lot of need We look forward to being well for having a home for our children. Please reconsider we do not want problems or publish on television. Just live in peace and work. Help us. How do you help other people? We do not want to send this letter to the televisio

Subject: [EXTERNAL] Waste Service - 5100 SW 41 Street

Good morning Kay and Luigi,

It has come to my attention that Condado Real on 5100 SW 41 Street has a new management company (Abora Realty) , they advise me that they have paid their waste services debt and are up to date. I have noticed that the waste has been collected multiple times. Can you please confirm that they are up to date with payment and that they are continuing their waste services collection?

Thank you for your attention to this matter.

Regards,

Joseline Ramirez

Subject: [EXTERNAL] Waste Service - 5100 SW 41 Street

Good morning Kay and Luigi,

It has come to my attention that Condado Real on 5100 SW 41 Street has a new management company (Abora Realty) , they advise me that they have paid their waste services debt and are up to date. I have noticed that the waste has been collected multiple times. Can you please confirm that they are up to date with payment and that they are continuing their waste services collection?

Thank you for your attention to this matter.

Subject: Case 4564

Dear Special Magistrate:

Me dirijo a ud a fin de saludarle y solicitarle el perdón de la multa por demora de la culminación del proyecto de mi propiedad.
A continuación le detallo los hechos para un mejor entendimiento.
Yo compre un Mobil Home con una adición que no estaba de acuerdo a los códigos, una vez que me notificaron me hice responsable de esto a fin de solucionarlo, fue bastante difícil buscar las personas que me pudieran ayudar (ingeniero), así como asumir los gastos que todo esto traía, sin embargo puse todo mi esfuerzo para cumplir y pude terminarlo, por lo que obtuve el Certificado de ocupación.

Lamentablemente, no pude cumplirlo en el plazo que me habían uds otorgado ya que se inicio la pandemia y todo se paralizo, asimismo me vi afectada económicamente ya que perdi uno de mis trabajos y actualmente solo trabajo 3 dias a la semana ya que a la vez tengo a cargo a mi mama que tiene 88 años y solo yo la sustento (vivimos solo las dos).

Es por esto que acudo a ud. A fin de solicitarle que tome en cuenta mi situación y perdone la penalidad por la infracción ya que estoy realmente pasando por una situación difícil.

Apelo a su comprensión a fin de acceder a mi solicitud, por lo que le quedare muy agradecida.

Le saluda Cordialmente:

Melba Cabrera

To whom it may Concern.

I am asking the Courts leniency in having my fines reduced or removed in regards to Case # 4644
During the period allotted to have my shop registered I had family matters that took a toll on me financially and emotionally and am still dealing with.
So with that in mind I am here at your mercy to have said case resolved.

Thanks in advance.

Subject: Case 4564

Dear Special Magistrate:

Me dirijo a ud a fin de saludarle y solicitarle el perdón de la multa por demora de la culminación del proyecto de mi propiedad.
A continuación le detallo los hechos para un mejor entendimiento.
Yo compre un Mobil Home con una adición que no estaba de acuerdo a los códigos, una vez que me notificaron me hice responsable de esto a fin de solucionarlo, fue bastante difícil buscar las personas que me pudieran ayudar (ingeniero), así como asumir los gastos que todo esto traía, sin embargo puse todo mi esfuerzo para cumplir y pude terminarlo, por lo que obtuve el Certificado de ocupación.

Lamentablemente, no pude cumplirlo en el plazo que me habían uds otorgado ya que se inicio la pandemia y todo se paralizo, asimismo me vi afectada económicamente ya que perdi uno de mis trabajos y actualmente solo trabajo 3 dias a la semana ya que a la vez tengo a cargo a mi mama que tiene 88 años y solo yo la sustento (vivimos solo las dos).

Es por esto que acudo a ud. A fin de solicitarle que tome en cuenta mi situación y perdone la penalidad por la infracción ya que estoy realmente pasando por una situación difícil.

Apelo a su comprensión a fin de acceder a mi solicitud, por lo que le quedare muy agradecida.

Le saluda Cordialmente:

Melba Cabrera

To whom it may Concern.

I am asking the Courts leniency in having my fines reduced or removed in regards to Case # 4644
During the period allotted to have my shop registered I had family matters that took a toll on me financially and emotionally and am still dealing with.
So with that in mind I am here at your mercy to have said case resolved.

Thanks in advance.
